Age: 59

Occupation: Teacher

Residence: Sandy

Years at residence: 25

Qualifications: I am a teacher. I am passionate about education. I have taught in public, home, and charter schools. I am a parent and a neighbor and a taxpayer. I do not have a long list of political affiliations. I am a volunteer who has spent hundreds of hours over the years in my kid's classes, on PTA boards, and on school community councils, as well as with community issues that affect my children and my neighborhoods, because I believe that one person can and will make a difference if they will just get involved. I believe that elected officials should represent the voice of the people that elect them. That is why I decided to run. The voters need the perspective of a teacher on the Canyons School Board. You need the voice of a grass roots, conservative person who has no agenda other than the educational interests and safety of our children while maintaining sound fiscal responsibility with your tax dollars. I believe I am that person.

A vote for me is a voice for you.
